### France

National Legislation: ["Law on sobriety, transparency, information and consultation for exposure to electromagnetic waves" - passed in 2015.](#)

- **WiFi Banned in Nursery Schools:** WiFi and Wireless devices will be banned in "the spaces dedicated to home, to rest and activities of children under 3 years".
- **WiFi on "OFF" as Default to Minimize Exposures in Schools:** In elementary schools, WiFi routers should be turned off when not in use.
- **Schools Will be Informed:** The school board should be informed when new tech equipment is being installed.
