

## **Environmental Health Trust Internship and Volunteer Questionnaire**

Welcome,

We are happy that you are interested in interning at the Environmental Health Trust (EHT). In order for us to get a better understanding of who you are and your interest in EHT, we ask that you spend some time answering the questions below. There are no word or character limits for your responses. Please submit this completed questionnaire, along with your cover letter, resumé and a writing sample to [info@ehtrust.org](mailto:info@ehtrust.org).

First, please review our website, <https://ehtrust.org>, including our resources and programs.

*Thank you so much for your interest!*

**1. In your own words please describe EHT (our organization), and your understanding of our mission.**

**2. What EHT programs or resources do you find most interesting?**

**3. What skills, accomplishments, or experiences would you like to gain from your time as a EHT intern?** (e.g., website experience, social media, grant writing, policy statements or reports, etc.)  
Why?

**5. What skills do you possess that can be used to further our work and overall mission?**

**6. (optional) If you have specific project ideas for your internship that you see as filling a need for EHT, please propose them here!**

**Please use the area below for any additional comments you would like to share.**
