Environmental Health Trust

Education, Research and Policy to Reduce Environmental Risks

Let's Continue this Fight For Jimmy Gonzalez!

A fearless crusader for truth, Jimmy--a former Marine officer, father of young children and husband is in hospice with Glioblastoma Multiforme caused from his cell phone. After his diagnosis, he championed the [Pembroke Pines Resolution](#) advancing the right to know about cellphone safety. Thanks to Jimmy for courageous efforts telling

his [story](#) in hopes that it will protect his community. Environmental Health Trust honors and appreciates Jimmy's efforts to ensure that localities around the world issue [Cell Phone Safety Proclamations](#).

The Rotary Club Learns About the Ill Effects of Cell Phone Radiation

Dr. Devra Davis's talk in Bombay to the Rotary Club helped spread the word about the consequences of wireless radiation. [Learn more](#)

Why Minimizing Mobile Conversations is a 'No-Brainer'

Did you know a cell phone in a moving car emits significantly greater radiation, half of which could be absorbed by the brain while talking? A renowned epidemiologist from the US warns users of this and other cell-phone related hazards in the course of her recent talks in India. Darryl D'Monte reports. [Learn more](#)

More news from Indian medical and health authorities to come.

Thank you, Juhi!

Actress Juhi Chawla helps to inform the public about the dangers of wireless radiation from devices and cell phone towers. Thank you!

[Learn more](#) about what it means to be a volunteer.

EHT needs your help to complete our infant and toddler brain modeling study to learn the true levels of radiation that young children absorb from wireless devices. Although millions of young children are using devices today, nobody can tell us what this may mean for their health.

We're just like you. We're teachers, business executives, parents, retirees, students...you name it. But the one thing we all have in common is our dedication to change. And the more volunteers we have, the bigger impact we can all make. Together.
