

Lewis County Board of Commissioners

RESOLUTION

No. _____

Requesting our State & Federal Governments Conduct More Research on 5G Wireless Facilities to Determine if Such Technology is Safe for Humans Before Allowing More Deployment of 5G

WHEREAS, according to the World Health Organization, there is limited research on the frequencies used in 5G technology and its effect on humans; and

WHEREAS, as the result of such limited research, several local residents have repeatedly expressed to the Lewis County Board of Commissioners that they would like to see our state and federal governments, specifically the Federal Communications Commission, conduct an in-depth independent study to re-evaluate the health effects of 5G wireless technology on humans;

NOW, THEREFORE BE IT RESOLVED by the legislative body of Lewis County meeting in regular session this 18th day of April, 2022, that we hereby request our state and federal governments, and especially the Federal Communications Commission (FCC), conduct more research on 5G Wireless Facilities to determine if such technology is safe for humans, before allowing more deployment of 5G;

BE IT FURTHER RESOLVED, that upon passage, a copy of this Resolution shall be mailed to each of our elected state and federal representatives, including State Representative David Byrd, State Senator Joey Hensley, U.S. Congressman Mark Green, U.S. Senator Marsha Blackburn, and U.S. Senator Bill Hagerty.

We, the undersigned County Commissioners, move the adoption of the above resolution.

Commissioner _____ moved to adopt the resolution.

Commissioner _____ seconded the motion.
